

Automotive Paint Prepper

Are you a driven, service-oriented person who's interested in working with a dedicated team of professionals? Do you value honesty, collaboration and hard work?

Eastside Fawcett Collision provides a positive, passionate workplace culture that is empowering, respectful and professional. We believe in working hard, laughing often, and working as a team to get the job done. If this appeals to you, we want to hear from you!

This position will involve Prepping surfaces and masking off edges of autobody parts for Refinish Technician to apply paint.

You must have prior experience in prepping of vehicles, plus priming and masking. Must be willing to learn, work hard, keep the paint shop clean, work safely, and be reliable.

We in turn will give you a great place to work, with newer vehicles, collision work, brand name products, and a chance for you to learn.

- Proven experience in automotive repair or a related field is preferred.
- Familiarity with hand tools and power tools is essential for executing tasks effectively.
- Mechanical knowledge is a plus, enabling better understanding of vehicle components during the painting process.
- Ability to perform heavy lifting as required during various stages of the painting process.
- Fast-paced environment.
- Attention to detail is a must when sanding, priming, lining up and applying masking tape and paper.
- Common duties will result in standing for extended periods, bending, crouching, kneeling.

.....

Wage to be determined based off experience and performance.
